

Dr. Puneet Dwivedi

Professor & Glenn '65 and Heather Hilliard Endowed Chair in Environmental Sustainability
Clemson University | Department of Forestry and Environmental Conservation
261 Lehotsky Hall, Clemson, SC 29634
Email: dwivedi@clemson.edu | Cell: +1-762-772-7373 | Website: <https://dfsl.netlify.app/>
LinkedIn [Profile](#) | The Forestry Forum [Group](#) at LinkedIn

Professional Experience

1. Professor & Glenn '65 and Heather Hilliard Endowed Chair in Environmental Sustainability | Clemson University Department of Forestry and Environmental Conservation (August 15, 2024 – Current) | Clemson, SC
2. Professor | University of Georgia Warnell School of Forestry and Natural Resources (July 01, 2024 – August 14, 2024) | Athens, GA
3. Associate Professor | University of Georgia Warnell School of Forestry and Natural Resources (July 01, 2018 - Current) | Athens, GA
4. Assistant Professor | University of Georgia Warnell School of Forestry and Natural Resources (October 02, 2013 - June 30, 2018) | Athens, GA
5. Postdoctoral Research Associate | University of Illinois at Urbana-Champaign Energy Biosciences Institute (August 16, 2012 - September 30, 2013) | Urbana, IL
6. Postdoctoral Research Associate | Yale University School of the Environment Climate and Energy Institute (July 05, 2010 - August 15, 2012) | New Haven, CT
7. Graduate Research Assistant | University of Florida Forests, Fisheries, and Geomatics Sciences (August 2006 - May 2010) | Gainesville, FL
8. Program Officer | Winrock International India (now InsPIRE Network for Environment) Natural Resource Management Division (February 2006 - July 2006) | New Delhi, India
9. Program Associate | Winrock International India (now InsPIRE Network for Environment) Natural Resource Management Division (April 2005 - January 2006) | New Delhi, India

Education

1. Doctorate | University of Florida (August 2006 - May 2010)
Major (Forest Policy & Economics) | Minor (Food & Resource Economics)
2. MBA (Forestry) | Indian Institute of Forest Management, Bhopal, India (June 2003 - Mar 2005; Silver Medalist)
3. Bachelor of Engineering (Mechanical) | Devi Ahilya University Institute of Engineering & Technology, Indore (July 1999 - May 2003; Distinction Holder and Silver Medalist)

Professional Recognitions

1. 2024 Sustainable Forestry Initiative Conservation Leadership Award
2. 2023 University of Georgia Fresh Year Odyssey Award Teaching Award
3. 2022 University of Georgia Warnell School Alumni Association Faculty Award for Research
4. 2022 University of Georgia CURO Faculty Research Mentoring Award
5. 2020 University of Georgia Creative Research Medal
6. 2020 University of Georgia Focus on Faculty | <https://news.uga.edu/puneet-dwivedi/>
7. 2019 Southeastern Society of American Foresters Award of Excellence in Research and Development
8. 2018 University of Georgia Office of Sustainability Outstanding Faculty Award
9. 2014 International Union of Forest Research Organizations (IUFRO) Outstanding Doctoral Research Award (Forest Operations Engineering and Management)

Professional Fellowships

1. 2023 Institute for Georgia Environmental Leadership Fellowship (sponsored by Georgia Forestry Foundation)
2. University of Georgia Teaching Academy Fellowship (2015-2016)
3. Yale University Climate and Energy Institute International Postdoctoral Fellowship (2010-2012)
4. University of Florida Alumni Fellowship (2006-2010)
5. Sir Ratan Tata Travel Grant for Higher Studies at the University of Florida (2006)
6. Swedish International Development Agency Fellowship, Indian Institute of Forest Management (2003- 2005)

Mentorship Experience

Major Advisor (a total of 42 students)

^β Co-advised with other faculty members

Current Doctoral Students (a total of 11)

1. Naveen Marasaiah (2026-present)
2. Kaustav Ghosal (2026-present)
3. Reinhard Nyandire (2026-present)
4. Vaine Onyango (2026-present)
5. Rajesh Machakalai (2025-present)
6. Ignatius Omariba (2025-present)
7. Saad Hussain (2025-present)
8. Lalita Dhal (2024-present)
9. Sabyasachi Sarkar (2024-present)
10. Ben Townsend ^β (2024-present)
11. Onyinye Choko ^β (2023-present)

Current MS Students (a total of 4)

1. Lydia Alford (2026-present)
2. Bandhan Dhar (2025-present)
3. Probir Talukdar (2025-present)
4. Khagendra Joshi (2025-present)

Current Postdoctoral Research Associates (a total of 2)

1. Dr. Rakhi Goswami (Jul 2026 – present)
2. Dr. Ashok Chaudhary (Feb 2024-present)

Past Graduate Students (a total of 27)

1. Dr. Manuja Aparekke ^β (2022-2026): Postdoctoral Research Associate, Virginia Tech
2. Dr. Kanchana Balasubramanian (2021-2025): Postdoctoral Research Associate, University of Georgia
3. Dr. Hosne Ara Akter (2022-2025): Postdoctoral Research Associate, University of Tennessee, Knoxville
4. Dr. Asiful Alam (2021-2023): Postdoctoral Research Associate, Oregon State University
5. Dr. Parag Kadam (2019-2022): Partner - Formos LLC
6. Dr. Kazi Ullah ^α (2018-2022): Assistant Professor, University of North Alabama
7. Dr. Omid Karami ^α (2017-2021): Professional at National Soybean Association
8. Dr. Ranjit Bawa ^α (2017-2021): Assistant Professor, University of New Hampshire
9. Dr. Farhad Masum (2017-2020): Professional at Argonne National Laboratory
10. Dr. Fabio Secanho ^α (2017-2020): Professional at Anew Climate, LLC
11. Dr. Karuna Paudel (2016-2020): Senior Ecosystem Carbon Specialist, Worldwide Fund for Nature
12. Dr. Noah Goyke ^α (2017-2020): Faculty Member at Buena Vista University
13. Dr. Suraj Upadhaya (2015-2019): Assistant Professor, Kentucky State University
14. Dr. Arundhati Jagadish (2014-2018): Faculty Member, Nature Conservation Foundation
15. MS Lalita Dhal ^{α, β} (2022-2024): Ph.D. Student, Clemson University
16. MS Sabyasachi Kar ^α (2022-2024): Ph.D. Student, Clemson University
17. MS Matt Pruitt (2022-2023): Professional, University of Georgia
18. MS Chambers English ^α (2021-2023): Professional, Milliken Advisors
19. MS Catherine Cooper ^α (2021-2023): Professional, HMTX Industries
20. MS Anna Ellis ^{α, β} (2021-2023): Professional, Michigan State University Extension
21. MS Jacqueline Miner ^α (2020-2022): Professional at Manulife Investments
22. MS Caroline Karnatz ^α (2019-2021): Doctoral Student, University of Montana
23. MS Madisen Fuller ^α (2019-2020): Postdoctoral Research Associate, North Carolina State University
24. MS Hosne Ara Ratri ^α (2018-2020): Postdoctoral Research Associate, University of Tennessee, Knoxville
25. MS Asiful Alam ^α (2017-2019): Postdoctoral Research Associate, Oregon State University
26. MS Chantal Tumpach ^α (2016-2018): Sustainability Professional, Paris, France
27. MS Surendra Shrestha (2014-2016): Senior Program Officer, World Wildlife Fund

Past Postdoctoral Research Associates (a total of 10)

1. Dr. Parag Kadam (Aug 2024-Jan 2026): Partner at Formos, LLC.
2. Dr. Mukti Subedi^β (June 2022-Aug 2024): Postdoctoral Research Associate, University of Georgia
3. Dr. Rajendra Panda (Jan 2024-May 2024): Independent Researcher
4. Dr. Sarah Hitchner (Jan 2023-May 2024; Nov 2024 – April 2025): Faculty, University of Georgia
5. Dr. Carolina Berget (Feb 2023-April 2024): Postdoctoral Research Associate, UNAM Mexico
6. Dr. Parag Kadam (Nov 2022-July 2023): Postdoctoral Research Associate, Clemson University
7. Dr. Yu-Kai Huang (Feb 2021-July 2022): Postdoctoral Research Associate, University of Illinois
8. Dr. Anne Mook (June 2021-April 2022): Senior Team Scientist, Colorado State University
9. Dr. Farhad Masum (Jan 2021-Nov 2021): Professional, Argonne National Laboratory
10. Dr. Noah Goyke (May 2020-Sep 2020): Academic Success Mentor, Northland College

Graduate Committee Member (a total of 9)

Jared Beeler (MS) | Nicole Nimlos (MS) | Chase Cook (MS) | John McGreevy (PhD) | Xiaorui Piao (PhD) | Sebastian Granados (MS) | Wanjing Hu (MS) | Andrew Copley (MS) | Lauren Mullenbach (MS)

Undergraduate Advisor (a total of 13 | University of Georgia Center for Undergraduate Research Office)

Narissa Turner, Maggie Holland, Jaiko Celka, William Fox, Sarah Welch, Haley White, Madisen Fuller, Aileen Nicolas, Austin Pyle, Jaqueline Miner, Michael Morgan, Isabella Dobbins, Jordan Nicole Smith

Undergraduate Advisor (a total of 4 | University of Georgia Sustainability Grants)

Grace People, William Fox, Haley White, Jacqueline Miner

Undergraduate Advisor (a total of 2 | University of Georgia Sustainability Certificate)

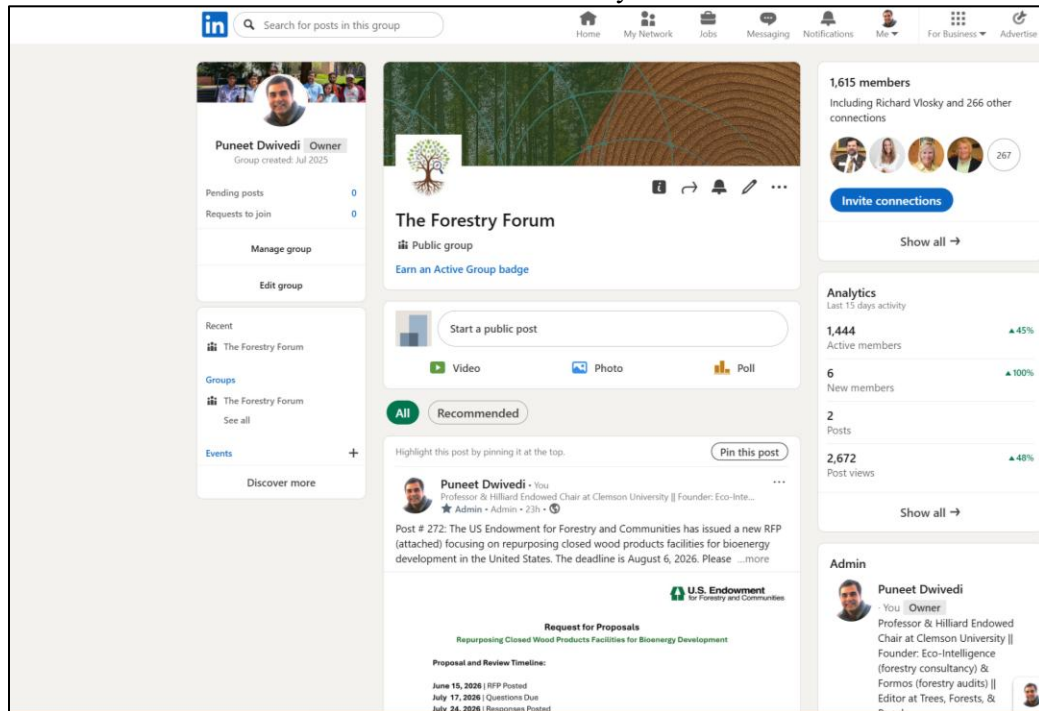

Caitlyn Smith, Madisen Fuller

Senior Thesis Advisor (a total of 2, University of Georgia Warnell School of Forestry and Natural Resources)

Narissa Tuner, William Fox

Global Forest Outreach

Coordinator for The Forestry Forum (with 1614 members and growing) at LinkedIn, where members and I share national and international news about forestry-related activities.

Administration Experience

1. Member (Tenure, Promotion, and Reappointment Committee), Clemson University Department of Forestry and Environmental Conservation (2025-present)
2. Member (Department of Forestry and Environmental Conservation ByLaws Committee), Clemson University Department of Forestry and Environmental Conservation (2025-2026)
3. Member (Graduate Affairs Committee), University of Georgia Warnell School of Forestry and Natural Resources (2014-2024).
4. Member (Dean Greene Administrative Review Committee) University of Georgia (2023)
5. Member (Working Group on Faculty Evaluation Policies and Practices) University of Georgia (2021- 2022)
6. Member (Task Force on the Future of Teaching and Learning) University of Georgia (2021-2022)
7. Member (University Council) University of Georgia (2019-2022)
 - a. Member (Faculty Affairs Committee), University of Georgia (2019-2022)
 - b. Member (Educational Affairs Committee), University of Georgia (2019-2022)
8. Member (Executive Committee), University of Georgia Center for Integrative Conservation Research (2017-2020).
9. Member (Administrative Committee), University of Georgia Warnell School of Forestry and Natural Resources (2018-2019).
10. Member (Executive Committee), University of Georgia Sustainability Certificate (2017-2019).
11. Member (Research Coordination and Review Committee), University of Georgia Warnell School of Forestry and Natural Resources (2015-2016).
12. Member (Promotion and Tenure Review Committee), University of Georgia Warnell School of Forestry and Natural Resources (2015-2016).
13. Member of the Search Committees
 - Natural Resources Policy and Sustainability (tenure track) position | 2017
 - Energy Ecologist (tenure track) position | 2014
 - Forest Certification and Sustainability (tenure track) position | 2014.

Teaching Experience

Current Courses at Clemson University (F – Fall Semester | S – Spring Semester)

1. Sustainable Bioenergy Development (F2026, F2027)
2. Forest Policy and Administration (F2026, F2027)

Past Courses at the University of Georgia (F – Fall Semester | S – Spring Semester)

1. FANR 8200 (Scientific Research in Forestry and Natural Resources, 3 Credit Hours): S2014, F2014, S2015, F2015, S2016, F2016, F2017, F2018, F2019, F2020, F2021, F2022, F2023
2. FORS 8460 (Management and Modeling of Forest Carbon Resources, 3 credit hours): F2015, F2016, F2017, F2019, F2021
3. FORS 8020 (Bio-based Economy Seminar, 1 credit hour): S2014, S2015, S2016, S2017, S2018, S2020
4. FANR 4020/6020 (Sustainable Development, 3 credit hours): S2018, S2021, S2022
5. FANR 3300 (Economics of Renewable Resources, 2 credit hours): S2015, S2016, S2017, S2018, S2020, S2021, S2022, S2023, S2024
6. FANR 1500 (Fundamentals of Sustainable Development, 3 credit hours): S2017, F2017, F2018, F2019, F2020, F2021, F2022, F2023
7. FYOS 1001 (Exploring Sustainable Development, 1 credit hour): F2015, F2016, F2017, F2018, F2019, F2020, F2021, F2022, F2023
8. FYOS 1001 (Sustainable Bioenergy Development, 1 credit hour): S2023, S2024
9. FANR 4500 (Senior Project, 3 credit hours): S2015

Business Experience

- 1) Owner at Eco-Intelligence, LLC (a leading forest consultancy company). More information at ecointelligence.work
- 2) Minor partner at Formos, LLC (a leading forest auditing company). More information at formos.info
- 3) Major Partner at DocsNDOcs, LLC (a leading document collection company). More information at docsndocs.com
- 4) Major Partner at JetMyProjects, LLC (a leading company for reminding deadlines). More information at jetmyprojects.com

Research Experience

Current Editorial Board Memberships

Editorial Advisory Board: **Global Change Biology Bioenergy**

Editor: **Trees, Forests, and People** (July 1, 2023 – July 31, 2026)

Past Editorships

PLOS ONE, Small-Scale Forestry, Forest Policy & Economics, Scientific Reports

Publications

Articles in Review (a total of 13)

1. Balasubramanian K, **Dwivedi P** (2026) Unveiling perceived ecosystem service bundles and trade-offs among female forest landowners in Georgia, United States. R2.
2. Townsend B, Nibbelink NP, **Dwivedi P** (2026) Improving habitat connectivity for longleaf pine endemic species through the Conservation Reserve Program in the U.S. South Atlantic Gulf. R1.
3. Jayasundara M, **Dwivedi P**, Conrad JL IV, Abrams JB (2026) Narratives and evidence of imperfect timber markets and structural changes in the forestry sector. R1.
4. Joshi K, **Dwivedi P**, Sahoo D (2026) Altered streamflow dynamics following Hurricane Michael links to forest damage in South Carolina, USA. R0.
5. Hitchner S, Kadam P, Rieder E, Stukes K, Larson L, Brown A, Morse W, Garber B, **Dwivedi P** (2026) Race and gender at a crossroads: Perspectives of black and female landowners on the Conservation Reserve Program in the Southeastern United States. R0.
6. Kar S, **Dwivedi P**, Post C, Hagan D, Norman SP (2026) Modeling post-hurricane coarse woody fuels using machine learning and multi-source remote sensing data to support wildfire management in wildland-urban interface. R0.
7. Talukdar P, **Dwivedi P**, Coyle DR, Witrick B, Gual-Gonzalez L (2026) Exploring the impacts of landscape heterogeneity, climate change, and forest management on the southern pine beetle (*Dendroctonus frontalis*) risk in Georgia. R0.
8. Beeler JE, Conrad JL IV, Bolding MC, **Dwivedi P**, Miller T (2026) Productivity and cost estimates for whole-tree timber harvesting systems in the US South. R0.
9. Chaudhary AK, **Dwivedi P**, Guynn ST (2026) Increasing awareness and participation of landowners in the Conservation Reserve Program: Extension professionals' perspectives. R0.
10. Chaudhary A, Kadam P, **Dwivedi P** (2026) Exploring potential strategies to increase producers' participation in the Conservation Reserve Program: A study from the southern United States. R0.
11. Kadam P, **Dwivedi P**, Chaudhary A (2026) Life-course associations with engagement in the Conservation Reserve Program in the United States. R0.
12. Dhal L, **Dwivedi P** (2026) Perceptions of stakeholder groups about sustainable management of urban and community forestry in South Carolina. R0.
13. Dhal L, **Dwivedi P**, Mook A, Browning MHEM, Witrick BA, Chaudhary AK, Timilsina N (2026) Exploring the role of green spaces in promoting physical activity in urban communities: An extended health belief model perspective. R0.

Published Articles (a total of 164, mostly with graduate students and postdoctoral research associates since 2013)

Year 2026 (10 Publications)

1. Chaudhary A, Guynn S, **Dwivedi P** (2026) Training needs of Extension professionals on federal conservation programs at land-grant universities. *Journal of Extension*. In press.
2. Kadam P, **Dwivedi P** (2026) Marginal land retirement as intensification: Price-governed corn yield gains from the Conservation Reserve Program. *Environmental Research: Food Systems*. In press.
3. Chaudhary AK, Kadam P, **Dwivedi P** (2026) Determinants of enrollment in Continuous over General Conservation Reserve Program among producers in the southeastern United States. *Environmental Research Communications*. In Press. <https://doi.org/10.1088/2515-7620/ae7186>
4. Kadam P, **Dwivedi P** (2026) Inflight sustainability: Harmonizing certification standards for sustainable aviation fuel adoption. *BioEnergy Research*. 19. 11. <https://doi.org/10.1007/s12155-025-10946-5>
5. Choko OP, Conrad JL IV, **Dwivedi P** (2026) Professional relationship between family forest landowners and loggers in Georgia, United States. *Trees, Forests and People*. 26. 101332. <https://doi.org/10.1016/j.tfp.2026.101332>

6. Akter HA, **Dwivedi P** (2026) Harvesting overstocked private forestlands for wildfire risk reduction and supplying feedstock to produce sustainable aviation fuel in the southeastern United States. *Biomass & Bioenergy*. 210. 109015. <https://doi.org/10.1016/j.biombioe.2026.109015>
7. Kadam P, **Dwivedi P**, Owens B, Campbell H, Westcot G, Geller D (2026) Comparing preferences and feasibility of different silvicultural practices for increasing forest carbon stocks in Georgia, United States. *BioResources*. 21 (3): 6482-6497. <https://doi.org/10.15376/biores.21.3.6482-6497>

Grants (a direct total of > \$8 million)

1. PI in Ascertaining the Economic and Environmental Impacts of Wood-Based Biopower in South Carolina. **United States Endowment for Forestry and Communities**. Total \$237,745. July 2026-Dec 2027.
2. Co-PI in Developing Premium Markets for Wildlife-Friendly Longleaf Pine Straw. **USDA Forest Service**. Open Competition. Total \$34,042. Jan 2025-Apr 2027.
3. Co-PI in Life Cycle Analysis-Based Environmental Impact Assessment of Bioenergy Facilities in the United States. **USDA Forest Service Wood Innovations**. Total \$96,951. Aug 2024-July 2026.
4. Co-PI in Georgia RISE: Resilience, Inclusion, Sustainability, and Equity in Emerging Forest Markets. Total \$2,815,708. **USDA Farm Service Agency**. Total \$67,735. Sep 2024-Sep 2027.
5. Co-PI in Resilient Ecosystems & Communities with CRP. Total \$2,815,708. **USDA Farm Service Agency**. Total \$381,832. Sep 2024-Sep 2029.
6. Co-PI in Conservation Hub for Economic Empowerment of Rural Stakeholders (CHEERS). Total \$10,000,000. **USDA National Institute of Food and Agriculture (NIFA) Sustainable Agriculture Systems**. Open Competition. Total \$411,580. Jan 2025-Dec 2029.
7. Co-PI in Increasing the Participation of Underserved Forest Landowners in Federal Conservation Programs in the SE United States by Promoting Climate-Smart Longleaf Pine across Multiple Scales. Total \$700,000. **USDA National Institute of Food and Agriculture (NIFA) Sustainable Agriculture Systems**. Open Competition. Total \$169,744. May 2024-Dec 2027.
8. PI in Increasing the Participation of Beginning Farmers and Ranchers in the Conservation Reserve Program through Integrated Outreach and Research in the Southern United States. **USDA Farm Service Agency**. Total \$999,986.29. **USDA Farm Service Agency**. Oct 2023-Sep 2027.
9. PI in Increasing the Participation of Georgia's Underserved Rural Landowners in the Federal Conservation Programs. Total \$97,460. **USDA Natural Resources Conservation Service**. Open Competition. Sep 2023- Sep 2025.
10. PI in Identifying and Overcoming Barriers to Increase Participation of Underserved Landowners in the Conservation Reserve Program in the Black Belt of the Southern United States. Total \$999,626. **USDA Farm Service Agency**. Open Competition. Oct 2022-Sep 2024.
11. PI in Capturing Perceptions and Motivations of Female Forest Landowners for Inclusive and Sustainable Forest Management in Georgia, United States (Kanchana Balasubramanian). Total \$4,000. **The Explorers Club**. Open Competition. Mar 2022-March 2023.
12. Co-PI in COVID-19: Lessons for the Recovery: Evaluating the Impacts of the COVID-19 Pandemic on the Forest-based Rural Economy in the Southern United States. Total \$100,781. **USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI)**. Open Competition. Jan 2022-Dec 2023.
13. PI in Providing Support for the CEAP-Grazing Land Project. Total \$58,738.12. **Jones Center at Ichauway**. Aug 2021-May 2023.
14. PI in Increasing Participation of Family Forest Landowners in Voluntary Carbon Markets: Exploring and Increasing Social Acceptability of Improved Forest Management Practices in North and South Carolinas. Total \$74,981. Open Competition. **American Forest Foundation**. Jan 2022-June 2022.
15. PI in The Woman Landowner Symposium: Enlightened Ownership. Total \$5,000. **USDA Forest Service**. May 2021-Dec 2021.
16. PI in Assessing the Impacts of Potential Water Quality and Flow Regulations on the Land Use in the Lower Flint Basin (Chambers English). Total \$11,921.88. **Jones Center at Ichauway**. Aug 2021-May 2023.
17. PI in Developing Mental Models of Female Forest Landowners and Promoting their Engagement in Sustainable Forestry in Georgia. Total \$30,000. **Georgia Forest Commission**. June 2021-June 2022.
18. PI in Exploring the Future of Family Forestlands under Female Ownership for the Sustainability of Forest Resources in Georgia. Total \$496,704. **USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI)**. Open Competition. Jan 2021-Dec 2024.
19. Co-PI in A Coupled Natural-Human Framework for Risk Assessment of Coastal Communities from Land-Use and Climate Change. Total \$68,256. **National Academy of Sciences**. Open Competition. Sep 2021-Aug 2023.
20. PI in Serving the Underserved Family Forest Landowners in Georgia through Integrated Research and Outreach. Total \$5,000. **Georgia Forestry Foundation**. July 2020-May 2021.
21. PI in Serving the Underserved Family Forest Landowners in Georgia through Integrated Research and Outreach. Total \$30,000. **Georgia Forestry Commission**. July 2020-May 2021.
22. PI in Connecting Female Forest Landowners with Foresters for Promoting Forest Stewardship in Georgia. Open Competition. Total \$67,500. **Bradley/Muphy Trust**. Apr 2020-Sep 2022.

23. PI in Examining the Role of Forest Certification in Improving Biodiversity and Water Quality in the Southern Coastal Plains Ecoregion of South Carolina, Georgia, Florida and Alabama. Total \$82,000. **Sustainable Forestry Initiative**. Open Competition. Jan 2020-June 2022.
24. PI in Identifying Priority Areas for Surface Water Protection in Upper Oconee Watershed. **Georgia Forestry Commission**. Total \$21,000. Nov 2019-Mar 2020
25. Co-PI in Southeast Partnership for Advanced Renewables from Carinata. Total \$15 million. **USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI)**. Open Competition. Total \$1,999,405. July 2017-July 2024.
26. Co-PI in Lupin, Cereal Rye, and Carinata Winter Cover Crops for Biomass in the Southern Coastal Plain. Total \$190,017. **USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI)**. Open Competition. May 2017-Mar 2022.
27. Co-PI in Agricultural Water Security through Sustainable Use of the Floridan Aquifer: An Integrated Assessment of Economic and Environmental Impacts. Total \$1,210,521. **USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI)**. Open Competition. July 2017-June 2023.
28. Co-PI in Ecosystem Service Tradeoffs, Landowner Incentives, and Optimal Policy Design to Promote Sustainable Longleaf Pine Agroecosystems. Total \$95,196. **USDA National Institute of Food and Agriculture (NIFA) Agriculture and Food Research Initiative (AFRI)**. Open Competition. May 2017-Dec 2021.
29. Co-PI in Experimental Interventions to Facilitate Clean Cookstove Adoption, Promote Clean Indoor Air, and Mitigate Climate Change. Total: \$18,643. **United States Environmental Protection Agency**. Open Competition. Sep 2015-Sep 2019.
30. PI in Impacts of Sustainable Forestry and African American Land Retention Project (SFLRP) on African American Forest Landowners. Total \$85,040. **US Endowment for Forestry and Communities**. Oct 2016-Dec 2017.
31. PI in Measuring the Unmeasured: Quantifying Impacts of SFI's Fiber Sourcing Standards in Georgia. Total \$87,836. **Sustainable Forestry Initiative, Inc**. Open Competition. Mar 2016-June 2018.
32. Co-PI in Experimental Interventions to Facilitate Clean Cookstove Adoption, Promote Clean Indoor Air, and Mitigate Climate Change. Total \$23,224. **United States Environmental Protection Agency**. Open Competition Mar 2014-May 2015.
33. PI in Capturing Perceptions and Communication Structures of Southern African American Family Forestland Owners. Total \$5,687. **US Endowment for Forestry and Communities**. July 2014-May 2015.
34. PI in Capturing Perceptions and Communication Structures of Southern African American Family Forestland Owners. Total \$7,760.00. **USDA Forest Service Southern Research Station**. June 2014-June 2016.
35. PI in Increasing Practice of Sustainable Forestry among Minority and Limited Resource Forest Landowners in Georgia. Total \$261,000. **USDA Southern Sustainable Agriculture Research and Education (SSARE)**. Open Competition. 2017-2021.

Conferences Organized

1. The Woman Landowner Symposium: Enlightened Ownership. May 20 and May 21, 2021. University of Georgia Russell Special Collections Library. Partner: Land & Ladies.
2. Virtual Conference on Heirs' Property & Sustainable Forest Management. February 8, 2021. Link: https://www.youtube.com/playlist?list=PLrD9UI6ldhp2mj1_GNSvXiiboYNCB11gB
3. International Bioenergy Conference (Adequacy of Spatial Databases for Conducting Risk Assessments of Sustainable Wood Sourcing Practices of the US Industrial Wood Pellet Industry Supplying European Energy Demand). May 01 – May 03, 2019. Athens, GA.

Conference Sessions

1. FACETS: Research and Insights from Georgia. Georgia Water Resources Conference. March 22 and March 23, 2021. [VIRTUAL TALK]
2. Virtual Conference on Heirs' Property & Sustainable Forest Management. February 8, 2021. Link: https://www.youtube.com/playlist?list=PLrD9UI6ldhp2mj1_GNSvXiiboYNCB11gB

Workshops Organized

1. **Dwivedi P** (2023) Forest Landowner Workshop: Understanding Basics of Emerging Forest Carbon Markets for Income and Mitigating Climate Change. Guyton, GA. Feb 10, 2023.
2. **Dwivedi P** (2022) Forest Landowner Workshop: Understanding Basics of Emerging Forest Carbon Markets for Income and Mitigating Climate Change. Guyton, GA. October 14, 2022.

Symposium Organized

1. **Dwivedi P**, Ward S (2023) Online Symposium on Fuelwood in the Tropics: From Cooking Stoves to Deforestation Session Two. The Society of Tropical Forests and the Society of American Foresters. October 10, 2023.
2. **Dwivedi P**, Ward S (2023) Online Symposium on Fuelwood in the Tropics: From Cooking Stoves to Deforestation Session One. The Society of Tropical Forests and the Society of American Foresters. Aug 3, 2023.

Papers Presented

1. Dhal L, **Dwivedi P**, Mook A, Browning MHEM, Witrick BA, Chaudhary AK, Timilsina N (2026) Exploring the role of green spaces in urban communities: A Health Belief Model perspective. The Public Health Science Seminar, Clemson University. April 21, 2026. Clemson, SC. [Graphical Abstract]
2. Dhal L, **Dwivedi P**, Mook A, Browning MHEM, Witrick BA, Chaudhary AK, Timilsina N (2026). Exploring the role of green spaces in urban communities: A Health Belief Model perspective. The 2026 ActivEnviro Summit. March 8, 2026. Minnesota, MN. [POSTER]
3. **Dwivedi P** (2026) Using Wood for Bioenergy Products in the US South: A Tale of National and International Policies. The William Main Seminar at the University of California, Berkeley. March 19, 2026. Berkeley, CA. [INVITED TALK]
4. Chaudhary AK, Guynn ST, **Dwivedi P** (2026) Training needs of Extension professionals for Conservation Reserve Program Management in the Southern United States. Spring 2026 PEPS Annual Research Symposium, Clemson University. April 14, 2026. Clemson, SC. [POSTER]
5. Ullah KM, Oladosu GA, **Dwivedi P** (2025) An Integrated Modelling Framework to Determine the Carbon Credit for Farmers to Produce Sustainable Aviation Fuel from Oilseed Cover Crops. The 2025 American Geophysical Union Annual Conference, December 11-19, 2025, New Orleans, LA. [TALK]
6. **Dwivedi P** (2025) Sustainability of Wood-based Sustainable Aviation Fuel Production in the US South. The 7th International Conference on Plants and Environmental Pollution. The National Botanical Research Institute. November 30, 2025 – December 2, 2025, Lucknow, Uttar Pradesh, India. [INVITED TALK]
7. **Dwivedi P** (2025) Sustainable Aviation Fuels: Unlocking the Potential of Forest Biomass. The United States Industrial Pellet Association. November 9-11, 2025, Miami, FL. [INVITED TALK]
8. Kadam P, **Dwivedi P** (2025) Marginal Land Retirement or Agricultural Intensification? Impacts of the Conservation Reserve Program on Corn Yields in the Southeastern US. Society of American Foresters National Convention, October 22-25, 2025, Hartford, CT. [TALK]
9. Townsend BC, Nibbelink NP, **Dwivedi P** (2025). Increasing Connectivity of Existing Longleaf Pine through the Conservation Reserve Program. Society of American Foresters National Convention, October 22-25, 2025, Hartford, CT. [TALK]
10. Chaudhary AK, Kadam P, **Dwivedi P** (2025) Exploring Future Pathways for the Conservation Reserve Program Using Seemingly Unrelated Regression Modeling. Society of American Foresters National Convention, October 22-25, 2025, Hartford, CT. [TALK]
11. Dhal L, **Dwivedi P** (2025) Indian Immigrants' Perceptions of Green Space Impacts on Mental Health. Society of American Foresters National Convention, October 22-25, 2025, Hartford, CT. [POSTER]
12. Akter HA, **Dwivedi P** (2025). Harvesting Overstocked Private Forestlands for Wildfire Risk Reduction and Supplying Feedstock to Produce Sustainable Aviation Fuel in the Southeastern United States. Society of American Foresters 2025 National Convention, October 22-25, Hartford, Connecticut. [POSTER]
13. **Dwivedi P**, Kadam P (2025) Inflight Sustainability: Harmonizing Certification Standards for Sustainable Aviation Fuel Adoption. The 2025 Institute of Sustainability, Energy, and Environment Congress. The University of Illinois Urbana-Champaign. [INVITED TALK]
14. **Dwivedi P**, Akter HA (2025) Examining the Impacts of Urban Tree Structure and Condition on Adult Depression. The 2025 Texas Tree Conference. September 25, 2026, Waco, TX. [INVITED TALK].
15. Choko O, Conrad IV JL, **Dwivedi P** (2025). Relationship between Family Forest Landowners and Loggers in Georgia, United States. The Council of Forest Engineering (COFE) Conference, September 16-18, 2025, Morgantown, WV. [TALK]

16. **Dwivedi P** (2025) Using Biomass from Overstocked Forestlands for Sustainable Aviation Fuel Production in the US South. International Consortium on Applied Bioeconomy Research. Saskatoon, Canada. July 11, 2025. [INVITED TALK].
17. **Dwivedi P** (2025) Wood-based Sustainable Aviation Fuel: An Opportunity for Mitigating Climate Change, Creating Jobs, Promoting Conservation, and Improving Environmental Quality. Indian Institute of Forest Management, Bhopal, Madhya Pradesh, India. June 20, 2025. Bhopal, India. [INVITED TALK].
18. **Dwivedi P** (2025) Conservation Reserve Program in the United States: Potential Lessons for India. National Botanical Research Institute, Lucknow, Uttar Pradesh, India. June 5, 2025. Lucknow, India. [INVITED TALK].
19. Townsend BC, Nibbelink NP, **Dwivedi P** (2025). The Conservation Reserve Program Increases Habitat Connectivity for Longleaf Pine Endemic Species in the South Atlantic Gulf. The 2025 International Association for Landscape Ecology – North America Annual Meeting. April 14, 2025. Raleigh, North Carolina. [TALK]
20. Balasubramanian K, Hepinstall-Cymerman J, **Dwivedi P**, Milewski A, Hamilton H (2025). Prioritization of Areas for Ecosystem Services in the Upper Oconee Watershed in Georgia, United States. International Association for Landscape Ecology (IALE-North America). Apr 13-17, 2025. Raleigh, North Carolina. [TALK]
21. Dhal L, **Dwivedi P** (2025). Exploring links between health beliefs, cues to action, and perception of greenspace attributes to promote physical activity behavior in Greenville. The Department of Parks, Recreation & Tourism Management, Clemson University. April 23, 2025. Clemson, SC. [POSTER]
22. Dhal L, **Dwivedi P** (2025). Examining the impacts of urban tree structure and condition on adult depression in the United States. Spring Sustainability Symposium, Clemson University. April 3, 2025. Clemson, SC. [POSTER]
23. Akter HA, **Dwivedi P** (2025). Harvesting Overstocked Private Forestlands for Wildfire Risk Reduction and Life Cycle Emissions and Supplying Feedstocks to Produce Sustainable Aviation Fuel in the Southeastern United States. International Society of Forest Resource Economics Symposium 2025, March 10-12, Myrtle Beach, South Carolina. [TALK]
24. **Dwivedi P** (2025) Biochar Economics for Private Landowners with Payments from Carbon Markets and Federal Incentives. The 2025 International Society of Forest Resource Economics Symposium. Mar 10, 2025 - Mar 12, Myrtle Beach, South Carolina. [TALK]
25. Kadam P, Bolques A, Harvey A, Perry A, Best S, Atkins D, Burke F, Larson L, Rieder E, Stukes K, Cook S, Graham B, Morse W, Bowman T, Garber B, Hitchner S, **Dwivedi P** (2025). Planning over programs: Challenges and opportunities affecting the participation of underserved producers in the Conservation Reserve Program across the Southeastern United States. The 2025 International Society of Forest Resource Economics Symposium. Mar 10, 2025 - Mar 12, Myrtle Beach, South Carolina. [TALK]
26. Chaudhary AK, Mook A, **Dwivedi P**. (2025) Understanding drivers of re-enrollment in the Conservation Reserve Program among producers in the southeastern United States. Paper presented at the 2025 International Society of Forest Resource Economics Symposium. Mar 10, 2025 - Mar 12, Myrtle Beach, South Carolina. [TALK]
27. Jayasundara M, Berget C, **Dwivedi P**. (2025). Migrant Labor in the US Forest Sector: Examining Vulnerabilities in the H-2B Guest Worker Program. The 2025 International Society of Forest Resource Economics Symposium. Mar 10, 2025 - Mar 12, 2025. Myrtle Beach, South Carolina. [TALK]
28. Choko O, Conrad JL, **Dwivedi P** (2025). Investigating the relationship between nonindustrial private forest landowners and logging businesses in the US South. The 2025 International Society of Forest Resource Economics Symposium. Mar 10, 2025 - Mar 12, Myrtle Beach, South Carolina. [POSTER]
29. Balasubramanian K, Hepinstall-Cymerman J, **Dwivedi P**, Milewski A, Hamilton H (2025) Prioritization of Areas for Ecosystem Services in the Upper Oconee Watershed in Georgia, United States. Symposium on Integrative Conservation. Feb 21, 2025. Athens, Georgia. [TALK]
30. Akter HA, Masum FH, **Dwivedi P** (2024). Life Cycle Emissions and Unit Production Cost of Sustainable Aviation Fuel from Logging Residues in Georgia. International Society of Forest Resource Economics Symposium 2024, April 1-4, Little Rock, Arkansas. [TALK]
31. Akter HA, Huang YK, **Dwivedi P** (2024). Developing a Supply Chain Model for Sustainable Aviation Fuel Using Logging Residues in Georgia. International Society of Forest Resource Economics Symposium 2024, April 1-4, Little Rock, Arkansas. [TALK]

32. Akter HA, Huang YK, **Dwivedi P** (2024). Developing a Supply Chain Model for Sustainable Aviation Fuel Using Logging Residues in Georgia. Warnell Graduate Student Symposium 2024, February 22-23, Athens, Georgia. [TALK]
33. Dhal L, **Dwivedi P** (2024) Examining the impacts of urban tree structure and condition on adult depression in the United States: [Symposium presentation]. Nov 20, 2024. The Forestry Inventory and Analysis Science Symposium. [INVITED TALK, ONLINE].
34. **Dwivedi P** (2024) Sustainable Aviation Fuel Production in the SE USA. Clemson University, College of Agriculture, Forestry and Life Sciences, Department of Forestry and Environmental Conservation. Oct 25, 2024. Clemson, SC. [INVITED TALK]
35. **Dwivedi P** (2024) Forestry Feedstocks for SAF Production in the SE USA: A Preliminary Assessment. Workshop on Fueling the Future: Accelerating Sustainable Aviation Fuel in the Southeast. October 15, 2024. Atlanta, GA. [INVITED TALK]
36. **Dwivedi P** (2024) Examining the influence of customary forest tree ownership on household participation in forest management activities in Jharkhand, India. Forests & Livelihoods: Assessment, Research, and Engagement (FLARE) Conference. October 5, 2024. Rome, Italy. [TALK]
37. **Dwivedi P** (2024) Little Spring Farms: A Preliminary Assessment of Aboveground Carbon Stored on Forestlands. Joachim Herz Foundation. September 25, 2024. Covington, GA. [INVITED TALK]
38. Balasubramanian K, **Dwivedi P** (2025). Unveiling Social Perception of Ecosystem Service Bundles and Trade-Offs: Female Forest Landowners in Georgia, United States. Ecological Society of America Annual Meeting. Aug 4-9, 2024. Long Beach, California. [TALK]
39. **Dwivedi P** (2024) Exploring Sustainable Bioenergy Production in Georgia, United States. Delegation of Students from Georgia Southern University. July 17, 2024. University of Georgia Warnell School of Forestry and Natural Resources. July 17, 2024. Athens, GA. [TALK]
40. **Dwivedi P** (2024) Do Male and Female Family Forest Landowners have Different Training Needs? A Case Study from Georgia, United States. IUFRO Small-scale Forestry Side Meeting. June 23, 2024. Stockholm, Sweden. [TALK]
41. **Dwivedi P** (2024) Comparing Preferences and Feasibility of Different Silvicultural Practices for Increasing Forest Carbon Stocks in Georgia, United States. Workshop on Georgia-Grown Forest Carbon Market. Scheller College of Business, Georgia Tech. June 14, 2024. Atlanta, GA. [INVITED TALK]
42. Dhal, L. (2024, June 26). Perceptions of greenspace impact on mental health: The case of Indian Immigrants to the United States Symposium for the International Association for Society and Natural Resources. June 26, 2024. [TALK, ONLINE].
43. **Dwivedi P** (2024) Climate-Smart Forestry: Economics of Sustainable Aviation Fuel, Biochar, & Carbon Markets. Clemson University, College of Agriculture, Forestry and Life Sciences, Department of Forestry and Environmental Conservation. May 7, 2024. Clemson, SC. [INVITED TALK]
44. **Dwivedi P** (2024) Monetary compensation for changing forest management practices to increase water availability in Georgia, United States. Georgia Forests & Water Forum. April 30, 2024. Forsyth, GA. [INVITED TALK]
45. Berget C, Mook A, **Dwivedi P** (2024) Self-efficacy Toward Prescribed Burning Among Female and Male Family Forest Landowners in Georgia, United States. International Society for Forest Resource Economics. April 1 – 3, 2024. Little Rock, AR. [TALK]
46. **Dwivedi P** (2024) Exploring Supply Chain of Sustainable Aviation Fuel from Logging Residues in Georgia, United States. United States. International Society for Forest Resource Economics. April 1 – 3, 2024. Little Rock, AR. [TALK]
47. Akter HA, Masum FH, **Dwivedi P** (2024). Life Cycle Emissions and Unit Production Cost of Sustainable Aviation Fuel from Logging Residues in Georgia. International Society of Forest Resource Economics Symposium 2024, April 1-4, Little Rock, Arkansas. [TALK]
48. Akter HA, Huang YK, **Dwivedi P** (2024). Developing a Supply Chain Model for Sustainable Aviation Fuel Using Logging Residues in Georgia. International Society of Forest Resource Economics Symposium 2024, April 1-4, Little Rock, Arkansas. [TALK]
49. Jayasundara M, Berget C, **Dwivedi P** (2024) Impact of COVID-19 on Southern US Forestry Migrant Laborers. International Society for Forest Resource Economics. April 1 – 3, 2024. Little Rock, AR. [TALK]
50. Onyinye C, **Dwivedi P** (2024) Evaluating the Sustainability of Tropical Timber Supply Chain in Ghana. International Society for Forest Resource Economics. April 1 – 3, 2024. Little Rock, AR. [POSTER]
51. **Dwivedi P** (2024) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. March 28, 2024 [INVITED TALK | GUEST LECTURE]

52. Akter HA, Huang YK, **Dwivedi P** (2024). Developing a Supply Chain Model for Sustainable Aviation Fuel Using Logging Residues in Georgia. Warnell Graduate Student Symposium 2024, February 22-23, Athens, Georgia. [TALK]
53. **Dwivedi P** (2024) Is Hurricane-Induced Land Use Change a Driver of Carbon Dynamics along the Gulf of Mexico? A Comprehensive Scenario Analysis for Perdido Bay Watershed in the Florida Panhandle. The 2024 Gulf of Mexico Conference. February 20, 2024. Tampa, FL. [INVITED TALK].
54. **Dwivedi P** (2023) Exploring Supply Chain of Sustainable Aviation Fuel from Logging Residues in Georgia, United States. The United States Industrial Pellet Association Conference. October 17, 2023. Miami, FL [INVITED TALK].
55. **Dwivedi P** (2023) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. October 31, 2023 [INVITED TALK | GUEST LECTURE]
56. **Dwivedi P** (2023) Exploring Nexus of Land Use and Climate Change on Carbon Stored on Existing Forestlands in the Panhandle Florida. St. Andrew and St. Joseph Bays Estuary Program at Florida State University Panama City. October 26, 2023. [INVITED TALK].
57. **Dwivedi P** (2023) Increasing Participation of Underserved Landowners in the Conservation Reserve Program in the US South. United States Department of Agriculture Farm Service Agency. September 18, 2023. [INVITED TALK].
58. **Dwivedi P** (2023) Life Cycle of Wood-based Bioenergy Products & Services. Virginia Department of Forestry. July 26, 2023 [INVITED TALK]
59. **Dwivedi P** (2023) Impact of Hurricanes on Land Use Change: Research Updates. Auburn University College of Forestry, Wildlife, and Environment. June 7, 2023. Auburn, AL. [INVITED TALK]
60. **Dwivedi P** (2023) The Role of Genetically Advanced Pine Seedlings in Increasing the Income of Forest Landowners with & without Carbon Payments. 2023 Georgia Climate Conference. May 16, 2023. Athens, GA. [TALK]
61. **Dwivedi P** (2023) Global Climate Change. University of Georgia Department of Marine Sciences. April 13, 2023. [INVITED TALK | GUEST LECTURE]
62. **Dwivedi P** (2023) Analyzing the Impacts of Hurricanes on the Forest Carbon in the Gulf Coast. Forest Inventory Analysis User Group Meeting. April 12, 2023. Charlotte, NC. [INVITED TALK]
63. **Dwivedi P** (2023) Mitigating Climate Change Using Cap and Trade. University of New Hampshire. April 11, 2023 [INVITED TALK].
64. **Dwivedi P** (2023) Sustainability of Industrial Wood Pellets in the US South. New York Stock Exchange. April 3, 2023 [INVITED TALK]
65. **Dwivedi P** (2023) Designing Watersheds for Integrated Development (DWID): Combining Hydrological and Economic Modeling for Optimizing Land Use Change to Meet Water Quality Regulations. Georgia Water Resources Conference. University of Georgia. March 30 and 31, 2023. [TALK]
66. **Dwivedi P** (2023) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. March 25, 2023 [INVITED TALK | GUEST LECTURE]
67. **Dwivedi P** (2023) Designing Watersheds for Integrated Development (DWID): Combining Hydrological and Economic Modeling for Optimizing Land Use Change to Meet Water Quality Regulations. University of Georgia Department of Marine Sciences. Feb 21, 2023. [INVITED TALK | GUEST LECTURE]
68. **Dwivedi P** (2022) Designing Watersheds for Integrated Development (DWID): Combining Hydrological and Economic Modeling for Optimizing Land Use Change to Meet Water Quality Regulations. Annual International Research Conference & Doctoral Workshop, Indian Institute of Management Lucknow Noida Campus. December 11, 2022 [TALK]
69. **Dwivedi P** (2022) Biomass Cooking Stoves: Past Work and Future Plan. World Bioenergy Association. December 6, 2022 [INVITED TALK]
70. English CE, Younger SE, Cannon JB, Brantley ST, **Dwivedi P**. (2022) Water Scarcity and Longleaf Pine: Balancing Ecosystem Services and Economics in the U.S. Coastal Plain. 14th Biennial Longleaf Conference. Wilmington, NC. October 26, 2022 [POSTER]
71. **Dwivedi P** (2022) Sustainable Aviation Fuel Production Using Logging Residues in the SE United States. The 2022 United States Industrial Pellet Association Exporting Conference. Miami, Florida. October 3, 2022 [INVITED TALK]
72. Chambers E, **Dwivedi P** (2022) Water Scarcity and Longleaf: Balancing Ecosystem Services and Economics in the Coastal Plain. Georgia Environmental Conference. Jekyll Island. August 25, 2022. [INVITED TALK]
73. Cooper C, **Dwivedi P** (2022) Water Quality and Forest Carbon in Georgia. Georgia Environmental Conference. Jekyll Island. August 25, 2022. [INVITED TALK]

74. **Dwivedi P** (2022) Designing Watersheds for Integrated Development (DWID): Combining Hydrological and Economic Modeling for Optimizing Land Use Change to Meet Potential Water Quality Regulations in Georgia, United States. Georgia Environmental Conference. Jekyll Island. August 25, 2022. [INVITED TALK]
75. **Dwivedi P** (2022) Trade-offs Between the Value of Ecosystem Services and Connectivity Among Protected Areas in the Upper Chattahoochee Watershed. Westervelt Headquarters. Tuscaloosa, Alabama. July 29, 2022. [INVITED TALK]
76. **Dwivedi P** (2022) Impacts of SFI Fiber Sourcing Standard on the Sustainability of Forest Resources in Georgia. Madison, Wisconsin. June 15, 2022. [INVITED TALK]
77. **Dwivedi P** (2022) Building Value Across the Carinata Supply Chain. Ninth Carinata Summit. University of Florida. April 26, 2022. [INVITED TALK]
78. **Dwivedi P** (2022) Bioenergy, Family Forest Landowners & Environmental Justice. Bioenergy with CCS: Sowing the Seeds of a Negative-Carbon Future. Energy Future Initiative. March 16, 2022. [INVITED TALK | VIRTUAL TALK]
79. **Dwivedi P** (2022) Forestry in Georgia and its Role in Optimizing Land Use Change to Meet Potential Water Quality Regulations in the State. University of Georgia Department of Marine Sciences. Feb 24, 2022. [INVITED TALK | GUEST LECTURE]
80. **Dwivedi P** (2021) Emerging Markets for Forestry in the Southern United States. Faculty of Agricultural Sciences, National University of Colombia. Medellín. Colombia. December 16, 2021. [TALK]
81. **Dwivedi P** (2021) Designing Watersheds for Integrated Development (DWID): Combining Hydrological and Economic Modeling for Optimizing Land Use Change to Meet Potential Water Quality Regulations in Georgia, United States. Georgia State University. November 11, 2021 [VIRTUAL TALK]
82. Miner J, **Dwivedi P** (2021) Perspectives of four stakeholder groups about the participation of female forest landowners in forest management in Georgia, United States. Society of American Foresters National Convention 2021. November 3 – November 6, 2021 [VIRTUAL TALK]
83. Huang Y, Bawa R, Mullen J, **Dwivedi P** (2021) A stochastic dynamic optimization approach for understanding expected land use changes to meet potential water quality regulations: A case study from Georgia, United States. Society of American Foresters National Convention 2021. November 3 – November 6, 2021 [VIRTUAL TALK]
84. Masum Md. FH, **Dwivedi P** (2021) Managing timber supply in the US South for biopower generation in Georgia. Society of American Foresters National Convention 2021. November 3 – November 6, 2021 [VIRTUAL TALK]
85. Kadam P, **Dwivedi P** (2021) Mapping convergence of sustainable forest management systems: Comparing three protocols and two certification schemes for ascertaining the trends in global forest governance. Society of American Foresters National Convention 2021. November 3 – November 6, 2021 [VIRTUAL TALK]
86. Kadam P, **Dwivedi P** (2021) Developing a certification system for urban forests in the United States.. Society of American Foresters National Convention 2021. November 3 – November 6, 2021 [VIRTUAL TALK]
87. **Dwivedi P** (2021) Heirs' Property and Minority Family Forest Landowners in Georgia. Guest Speaker: Society and Natural Resources (FANR 3400). November 4, 2021. [INVITED TALK | GUEST LECTURE]
88. **Dwivedi P** (2021) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. November 2, 2021 [INVITED TALK | GUEST LECTURE]
89. Morris D, Smith T, **Dwivedi P** (2021) Forest Research to Underpin Governance of Sustainable Bioenergy in North America. Dialogue on Governance to Develop Sustainable Forest Landscapes for Production of Wood for Energy and the Bioeconomy. University of Copenhagen Department of Geosciences and Natural Resource Management. October 27, 2021 [INVITED TALK, VIRTUAL TALK]
90. **Dwivedi P** (2021) Family Forest landowners in the Southern United States and their Participation in Sustainable Biomass Markets. Dialogue on Governance to Develop Sustainable Forest Landscapes for Production of Wood for Energy and the Bioeconomy. University of Copenhagen Department of Geosciences and Natural Resource Management. October 13, 2021 [INVITED TALK, VIRTUAL TALK]
91. **Dwivedi P** (2021) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. March 30, 2021 [INVITED TALK | GUEST LECTURE]
92. **Dwivedi P** (2021) Designing Watersheds for Integrated Development (DWID): A Case Study from the Little River Watershed. School of Forestry and Wildlife Sciences, Auburn University. March 30, 2021 [VIRTUAL TALK]

93. **Dwivedi P** (2020) Designing Watersheds for Integrated Development (DWID): Combining Hydrological and Economic Modeling for Optimizing Land Use Change for Meeting Potential Water Quality Regulations in Georgia and Beyond. Georgia Forestry Association Environmental Committee. December 10, 2020 [VIRTUAL TALK]
94. **Dwivedi P** (2020) The Cost of Stored Carbon on Afforested Lands in the Wood Basket of the United States. 2020 National Council for Air and Stream Improvement Conference. October 13 – October 16, 2020. [VIRTUAL TALK]
95. Akter HA, **Dwivedi P** (2020) Carbon Benefits of Intercropping Loblolly Pine and Carinata for Bio- Jet Fuel Production in US South. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL TALK]
96. Secanho F, **Dwivedi P** (2020) An Optimization Model for Prioritizing Land Parcels towards Conservation Easements in the Upper Chattahoochee Watershed. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL TALK]
97. Kadam P, **Dwivedi P** (2020) Role of Sustainable Forest Initiative Fiber Sourcing Standard in Georgia: Loggers, BMPs, and Mill Consumption. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL TALK]
98. **Dwivedi P** (2020) Not There Yet: Addressing Forestry Challenges for African American Landowners and Communities in the South. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL SESSION]
99. Fuller M, **Dwivedi P** (2020) Economics of Carbon Sequestration Potential and Pricing in the Forests of Georgia, USA. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL TALK]
100. Goyke N, **Dwivedi P** (2020) Does Forestry Pay? Case Studies from Four African American Forest Landowners in Georgia, USA. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL TALK]
101. Goyke N, **Dwivedi P** (2020) Does Forestry Pay? Case Studies from Four African American Forest Landowners in Georgia, USA. Society of American Foresters National Convention 2020. October 29 – October 31, 2020. [VIRTUAL TALK]

137. Secanho F, **Dwivedi P** (2018) Provision of Selected Ecosystem Services by Conservation Easements in the Upper Chattahoochee Watershed. A Community on Ecosystem Services Conference, Washington, DC. December 03-06, 2018. [TALK]
138. Paudel K, **Dwivedi P**, Kianne S (2018). An Argument for Longleaf Pine: Comparing Economics of Yellow Pines across Southern United States. A Community on Ecosystem Services Conference, Washington, DC. December 03-06, 2018. [POSTER]
139. **Dwivedi P** (2018). Private Environmental Governance Improves Compliance Rate of Forestry Best Management Practices in Georgia. Guest Speaker: Environmental Policy (ECOL 8730). Athens, GA. October 30, 2018. [INVITED TALK | GUEST LECTURE]
140. Paudel K, **Dwivedi P**, Kinane S, Sharma A (2018). An Argument for Longleaf Pine: Comparing Economics of Yellow Pines in Southern United States. 12th Biennial Longleaf Conference, 2018. Alexandria, LA. October 23-26, 2018. [TALK]
141. **Dwivedi P** (2018). Impacts of Sustainable Forestry Initiative Fiber Sourcing Standard on the Implementation Rate of Forestry Best Management Practices in Georgia. Sustainable Forestry Initiative Annual Conference 2018. Denver, Colorado. October 16-18, 2018. [INVITED TALK]
142. **Dwivedi P** (2018). Understanding Perceptions of Stakeholder Groups about Forestry Best Management Practices in Georgia. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
143. **Dwivedi P** (2018). Quantifying Impacts of Sustainable Forestry Initiative Fiber Sourcing Standards on the Implementation Rate of Forestry Best Management Practices in Georgia. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
144. Goyke N, **Dwivedi P** (2018) Sustainable Management & Complex Ownership by African American Forest Owners. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
145. Goyke N, **Dwivedi P** (2018) Management Outlook Diversity of African American Family Forest Owners. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
146. Secanho F, **Dwivedi P** (2018) Assessment of Environmental Contribution of Conservation Easements in the Upper Chattahoochee Watershed. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
147. Masum Md FH, **Dwivedi P** (2018). Estimating Carbon Abatement Cost of Electricity Generation from Bioenergy Feedstocks in Georgia. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
148. Bawa R, **Dwivedi P** (2018) Impact of Land Use on Water Quality in the Upper Floridan Aquifer. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [TALK]
149. Paudel K, **Dwivedi P**, Kinane S (2018). An Argument for Longleaf Pine: Comparing Economics of Yellow Pines across the Southern United States. Society of American Foresters National Convention 2018. Portland, Oregon. October 03-07, 2018. [POSTER]
150. **Dwivedi P** (2018) Emerging Research on Impacts of Land Management on Water Resources. Guest Speaker: Land Conservation Skills. Athens, GA. July 25, 2018. [INVITED TALK | GUEST LECTURE]

151. Trianosky P, **Dwivedi P** (2018) Analysing Effects of SFI Fiber Sourcing on BMPs in Georgia. Conservation Impact Webinar Series, Sustainable Forestry Initiative. June 19, 2018. [WEBINAR]
152. **Dwivedi P** (2018) Do Rising Pulpwood Prices and Falling Sawtimber Prices Spell a New Sustainability Challenge for Transatlantic Wood Pellet Trade? International Consortium of Applied Bio-economy Research. The World Bank, Washington, DC. June 13, 2018 . [TALK]
153. **Dwivedi P** (2018) Forestry Resources, Ecosystem Services, and Land Use Changes in Georgia. Advancing Georgia's Leaders in Agriculture and Forestry. Statesboro, GA. May 16, 2018. [TALK]
154. Bettinger P, **Dwivedi P**, Cieszewski C, Siry J (2018) Development of International Cooperative Research on Sustainable Forestry Concepts Between the Republic of Turkey and the United States. Faculty of Forestry, Istanbul University. Istanbul, Turkey. May 02, 2018 . [TALK]
155. **Dwivedi P** (2018) Sustainability and Sustainable Development. Guest Speaker: Natural Resources Conservation (FANR 1100). Athens, GA. April 04, 2018. [INVITED TALK | GUEST LECTURE]
156. **Dwivedi P** (2018) Is Private Environmental Governance Working? Analyzing the Effects of the SFI Fiber Sourcing Standard on Forestry BMPs in Georgia. Department of Forestry, University of Kentucky. Lexington, KY. March 28, 2018. [INVITED TALK]
157. **Dwivedi P** (2018) Open Access Journals. Guest Speaker: Scientific Writing in Forestry and Natural Resources (FANR 8200). Athens, GA. March 27, 2018. [INVITED TALK | GUEST LECTURE]
158. **Dwivedi P** (2018) Effects of the SFI Fiber Sourcing Standard on the Average Implementation Rate of Forestry Best Management Practices in Georgia. 2018 International Society of Forest Resource Economics. Gatlinburg, TN. March 19-21, 2018 [TALK]
159. **Dwivedi P** (2018) Understanding Perceptions of Stakeholder Groups about Forestry Best Management Practices in Georgia, United States. 2018 International Society of Forest Resource Economics. Gatlinburg, TN. March 19-21, 2018 [TALK]
160. Bawa R, **Dwivedi P** (2018) Total Wood Demand is a Significant Determinant of Forestland Acreage in the Southern United States. 2018 International Society of Forest Resource Economics. Gatlinburg, TN. March 19-21, 2018 [TALK]
161. **Dwivedi P** (2018) Measuring the Unmeasured - Quantifying Impacts of SFI's Fiber Sourcing Standards in Georgia. Sustainable Forestry Initiative Sounding Board Meeting. Washington, DC. March 7-8, 2018. [INVITED TALK]
162. Bawa R, **Dwivedi P** (2018) Valuing the Economic Impacts Associated with the Adoption of Best Management Practices (BMPs) on Water Quality in the Upper Floridan Aquifer. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
163. Jagadish A, **Dwivedi P** (2018) Deconstructing Networks, Unearthing Consensus: Diffusion of Cleaner Cookstoves in the Rural Himalayas, India. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
164. Benez-Secanho F, **Dwivedi P** (2018) Assessment of Environmental and Economic Impacts of Conservation Easements in the Middle Chattahoochee Watershed. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
165. Paudel K, **Dwivedi P** (2018) Assessing Trade-offs Across Ecosystem Services for Southern Longleaf Pine Ecosystems. Warnell Graduate Student Symposium. January 31-February 02, 2018. [TALK]
166. **Dwivedi P** (2018) Determinants of Carbon Benefits for Wood Pellet-Based Electricity. Korean Delegation on Sustainable Bioenergy in Georgia. Warnell School of Forestry and Natural Resources. Athens, GA. January 10, 2018. [TALK]
167. **Dwivedi P** (2018) Sustainable Jet Fuel from Carinata. Guest Speaker: Sustainability Seminar (FCID 4200). Athens, GA. January 10, 2018. [INVITED TALK]
168. Hitchner S, Schelhas J, **Dwivedi P** (2017) Successes of the African American Land Retention and Sustainable Forestry Program in NC, SC, and AL. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
169. Hitchner S, **Dwivedi P**, Schelhas J (2017) Impacts of Social Networks on Adoption of Sustainable Forestry Practices among African Americans in NC. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
170. Paudel K, **Dwivedi P** (2017) Assessing the Role of Wood Mills in Determining Supply of Forest- based Ecosystem Services in Georgia. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]

171. Tumpach C, **Dwivedi P** (2017) Analyzing Perceptions of Stakeholder Groups about Forestry Best Management Practices in Georgia. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
172. Upadhaya S, **Dwivedi P** (2017) Ascertaining Extent of Deforestation in Southern Georgia Due to Agricultural Expansion: An Integrated Approach. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
173. Tumpach C, **Dwivedi P** (2017) Assessing the Impacts of SFI's Fiber Sourcing Standard on the Sustainability of Georgia's Forest Resources. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
174. Jagadish A, **Dwivedi P** (2017) Cultural consensus on fuelwood consumption and diffusion of cleaner cookstoves in Himachal Pradesh, India. Society of American Foresters National Convention 2017. Albuquerque, NM. November 16-18, 2017. [TALK]
175. **Dwivedi P** (2017) Determinants of carbon benefits for transatlantic wood pellet trade. International Consortium on Applied Bio-economy Research Annual Conference. University of California, Berkeley. Berkeley, CA. May 30-June 02, 2017. [TALK]
176. **Dwivedi P** (2017) Nexus between bioenergy development, land use change, and climate change on water availability: A case study from Oconee watershed. Georgia Water Resources Conference. Athens, GA. April 19-20, 2017. [TALK]
177. Jagadish A, **Dwivedi P** (2017). Cultural Influences on Diffusion of Cleaner Cookstoves in Lower Himalayas, India. First International Conference on Energy Research and Social Science. Melia Sitges, Spain. April 02-05, 2017. [POSTER]
178. Tumpach C, **Dwivedi P**, Izlar R, Cook C (2016) Quantifying Indirect Benefits of the Sustainable Forestry Initiative's Fiber Sourcing Standards in Georgia. 3rd Annual Sustainability Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. December 06, 2016. [POSTER]
179. Upadhaya S, **Dwivedi P** (2016) Why expansion in the demand for blueberries is responsible for deforestation in southern Georgia? Understanding through an integrative approach. 3rd Annual Sustainability Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. December 06, 2016. [POSTER]
180. **Dwivedi P** (2016) Does wood-based bioenergy really saves carbon? Tales from GA. 3rd Annual Sustainability Symposium. Center for Integrative Conservation Research, University of Georgia. Athens, GA. December 06, 2016. [INVITED TALK]
181. **Dwivedi P** (2016) When does wood-based bioenergy really saves carbon? A conceptual approach with examples. Bio-based Industry Center, Iowa State University. Berkeley, CA. December 02, 2016. [INVITED TALK]
182. **Dwivedi P** (2016) African-American forest landowners and sustainable forest management in the US South. Resiliency Faculty Learning Community. Office of Sustainability, University of Georgia. Athens, GA. November 16, 2016. [INVITED TALK]
183. **Dwivedi P** (2016) Use of wood pellets is "evil" from carbon perspective. Really? Society of American Foresters National Convention 2016. Madison, WI. November 05, 2016. [TALK]
184. **Dwivedi P** (2016) Exploring nexus of emerging bioenergy markets, land use change, and changing climate on water availability: A case study from Oconee River Basin in Georgia. Society of American Foresters National Convention 2016. Madison, WI. November 04, 2016. [TALK]
185. **Dwivedi P** (2016) Current status of emerging technologies and markets. Georgia Master Timber Harvester Workshop. Forsyth, GA. June 15-16, 2016. [INVITED TALK]
186. **Dwivedi P** (2016) Current status of emerging technologies and markets. Georgia Master Timber Harvester Workshop. Tifton, GA. April 13-14, 2016. [INVITED TALK]
187. **Dwivedi P** (2016) Tracking economic and environmental indicators of exported wood pellets to the United Kingdom from the southern United States: lessons for policy? 2016 Meeting of the International Society of Forest Resource Economics. Raleigh, NC. April 3-5, 2016. [TALK]
188. Shrestha S, **Dwivedi P** (2016) Determining impact of wood pellet production on water availability: A case study from NE Oconee River Basin. 2016 Meeting of the International Society of Forest Resource Economics. Raleigh, NC. April 3-5, 2016. [TALK]
189. Upadhaya S, **Dwivedi P** (2016) Assessment of Profitability of Competing Land Use Systems: Blueberry Production vs. Loblolly Pine Plantation in Southern Georgia. 2016 Meeting of the International Society of Forest Resource Economics. Raleigh, NC. April 3-5, 2016. [TALK]

190. **Dwivedi P** (2016) What is the real carbon footprint of wood used for energy? Forest Bioenergy Conference. Forsyth, GA. March 24, 2016. [INVITED TALK]
191. **Dwivedi P** (2016) Measuring the unmeasured: quantifying impacts of SFI's fiber sourcing standards in Georgia. Drax Biomass Headquarters. Atlanta, GA. March 14, 2016. [TALK]
192. **Dwivedi P** (2016) Efficacy of carbon and bioenergy markets in mitigating carbon emissions on reforested lands: A case study from southern United States. All Team PINEMAP Meeting. School of Forest Resources and Conservation. University of Florida. Gainesville, FL. Feb 18, 2016. [INVITED TALK]
193. Shrestha S, **Dwivedi P** (2016) Impact of wood pellet production on local water availability: a case study from Upper North Oconee River Basin in Georgia. Warnell Graduate Student Association Symposium. Athens, GA. January 20-22, 2016. [TALK]
194. Upadhaya S, **Dwivedi P** (2016) Arresting deforestation in southern Georgia through sustainable landscape management. Warnell Graduate Student Association Symposium. Athens, GA. January 20-22, 2016. [TALK]
195. Shrestha S, **Dwivedi P** (2015) Impact of wood pellet production on local water availability: A case study from NE Oconee river basin. 10th Southern Forestry and Natural Resources Management GIS Conference. Athens, GA. December 7-8, 2015. [TALK]
196. **Dwivedi P** (2015) Are forest carbon and bioenergy markets really going to save carbon on reforested lands? Department of Forestry & Environmental Resources, North Carolina State University. Raleigh, NC. November 13, 2015. [INVITED TALK]
197. **Dwivedi P** (2015) Economic and environmental sustainability of transatlantic wood pellet trade. Society of American Foresters National Convention 2015. Baton Rouge, LA. November 06, 2015 . [TALK]
198. **Dwivedi P** (2015) Do markets for forest carbon and wood-based energy products always save carbon? Society of American Foresters National Convention 2015. Baton Rouge, LA. November 06, 2015 . [TALK]
